21 **A. LRW Brochure**

22 Pease said that the directions are missing from the brochure text and should be added. Pease said that  
23 Station One should be indicated as a starting point at the Ritchie Avenue end.

24 Sinadinoski said that this would translate better with a visual as the CC was only viewing the text.  
25 Sinadinoski said that Kinner had previously suggested a transitional edit for Station Two to move  
26 from the topic of fishing to the topic of flowers.

27 DiCesare said that "several varieties of plants can be found here" should be removed because it is an  
28 obvious statement.

29 Gaherty suggested changing "some of the plants are" to "some of the plants found here include" as a  
30 transitional statement.

31 DiCesare said that the sentence about the flowers was too long and run-on. DiCesare agreed to use  
32 semicolons to separate the flowers as a compromise.

33 Pease asked to add an asterisk that was missing.

34 DiCesare said that the word "bounty" did not sound correct to her when describing nature.

35 Sinadinoski reworded a sentence regarding cultural history that the CC approved of.

36 The CC discussed the capitalization of "The Town."
