Office of Town Manager
Phone: 802-891-8021

To: Milton Select Board

Date: September 7, 2021

From: Don Turner Jr., Town Manager

CC: Dave Allerton Public Works Director
Kirsten Jensen, Public Works Engineer
Eric Galls, Highway Superintendent
Jessica Morris, Finance Director

Re: New Public Works Facility

The Town plans to build a new public works facility subject to voter approval in 2022. The Selectboard budgeted for preliminary work to begin in FY22 and recently hired Krebs and Lansing to complete the subdivision process necessary for the Town to acquire a parcel of land 6.7 acres in size adjacent to the Municipally owned Bombardier property from the Brails Family. The Town Development Review Board at a public hearing scheduled for September 23, 2021 will review the subdivision and we anticipate approval soon thereafter. The subdivision supporting documents and some preliminary financing information based on estimated construction costs are also included in this packet.
