PRESS RELEASE

May 24, 2013

On the morning of May 23rd, 2013 the Milton Police Department investigated approximately 13 reports of vehicles being entered over night and items stolen. Based on the investigation, it was determined that the incidents occurred during the early morning hours of May 23rd, 2013 between the hours of 12:00am and 6:00 am.

These incidents were reported to have occurred on the following streets: Ducks Court, Whisper Lane, Hillary Lane, Railroad Street, Villemaire Lane, Arrowhead Avenue and Lamoille Terrace.

In all the reported incidents the vehicles were left unlocked. Items stolen from the vehicles included: GPS units, Sunglasses, Cash, Leatherman multi tool, etc.

There was also a report from an address on Hillary Lane of a male trying to make entry into a residential garage at approximately 1:41 am. However, the male ran off upon the homeowner noticing the male and confronting him.

Security video from a security camera on residence was obtained. The security video captures a single white male, approximately 16-20 years old, wearing a jacket and backpack. This male is seen in the video trying to open the doors to vehicles parked in the driveway. Due to the fact the doors are locked, the male leaves the driveway. *See pictures below:*

Anybody with information about this incident is asked to contact Milton Police Department at (802)893-6171 or Champlain Valley Crime Stoppers at (802)864-6666. Or email Detective Corporal Paul Locke at Paul.locke@state.vt.us. The security video is available for new media to release. Please contact me to obtain a copy of the video and pictures.

Det. Cpl. Paul W. Locke
