MONUMENT/STATUE FORM (ZR760)

If the use is subject to site plan approval, check here to verify that the site plans show the location of the monument or statute on the site plan and include all of the items on the checklist below.

If the use is not subject to site plan approval, **ATTACH** an aerial view drawing of the property showing the following:

- Lot shape and property lines
- Dimensions of the land
- Size and location of all existing buildings/structures and the proposed monument/statue
- A 3D rendering and elevations that clearly depict all sides of the monument
- Measurable distances between the monument and other structures and boundaries
