Last revised: May 10, 2016

## MOBILE HOME PARK USE FORM

- Check here to verify that the site contains at least two (2) acres under unified ownership (see use definition).
- Check here to verify that the project includes the placement of four or mobile homes for non-transient use.
- Check here to verify that you understand that this use must be approved as a subdivision showing the division of lots even though it shall remain under unified ownership.
