I. Call to Order

Kinner called the meeting to order at 1:00 p.m.

II. Public Input

None

III. Business

A. Eagle Mountain Natural Area Brochure, Map, Kiosks & Way-finding

The Commission undertook the following analysis:

- Reviewed draft brochure & map content
- Reviewed existing trail markings & signage
- Reviewed draft map and discussed possible revisions

At the conclusion of the hike, and the Chair suggested that the item be tabled for further discussion at a later meeting. **Unanimous consent.**

Key Questions Considered:

- What values are key?
 - Low visual impact, versus higher visibility way-finding.
 - Color disability access.
- Where are the primary confusion points located?
- What should people see at intersections?
- What signage additions, removals, or updates need to occur?
- What kinds of signs?
 - Destination-based
 - Interpretive
 - Trail name
 - Use-based
 - Instructional
 - Level of difficulty
 - Distance
- What would be the best blazing system?
 - Single color
 - Multiple colors
 - Numbers
