Substantial Change Request, Town Core TIF District

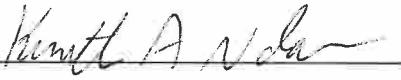

The Milton Selectboard will hold a public hearing at 6:00 p.m. on May 1, 2017, in the Community Room at the Municipal Building, 43 Bombardier Road, to consider a Substantial Change Request to add a project to the Town Core TIF District. After the hearing, the Selectboard may discuss and vote on whether or not to approve submission of the Substantial Change Request for consideration by the Vermont Economic Progress Council.

The proposed project would be to construct a lighted intersection on Route 7 at the southern end of the Town Core TIF District boundary and the first portion of a new road connecting to that intersection. The purpose of the Substantial Change Request is to petition the Vermont Economic Progress Council to amend the list of approved TIF projects to include this new project.

The Substantial Change Request documents are available for review in the Finance Department at the Municipal Building, 43 Bombardier Road. If special accommodations are required, please contact Sarah Macy at 802-891-8049 or smacy@town.milton.vt.us.
